Subject: Request for Assignment Extension

Dear Professor,

I hope this email finds you well. I am **Jayaram Yerrapragada**, a first year **CSE-AIML** student (Reg. No.25BAI10286).

I am writing to request a short extension of 2-3 days on the upcoming assignment. This week I have multiple deadlines overlapping and I want to make sure I submit work that actually reflects my effort rather than something rushed at the last minute.

I apologize for the inconvenience and I assure you the work will be submitted well within any Revised deadline you set.

Thank you for your understanding.

Warm regards,

Jayaram Yerrapragada
